SS 23 Collection

OPTICAL

Clubhouse II

Our classic metal style, Clubhouse, is updated with premium details for considered comfort and elevated style. The end pieces are finely engraved with a custom sun design and new acetate is added to the temple for comfort and weight distribution. The Gold colorway includes specialty bi-colored plating.

Clune X

Our mid-century-inspired, ever-popular Clune frame is now part of our 10-year anniversary series. This P3 frame presents a thicker acetate and custom plaque and logo on the inner temple tips — both hallmarks of our anniversary series collection. Additional enhancements include premium glass lenses and a fresh color assortment, including a new vintage-inspired spotted brown tortoise. Select colorways feature our striking, custom 3D cube filigree on the temples and double pins at the end piece.

Woz

Characteristic of the frames worn by fashion, creative and film directors of the '60s and '70s, the Woz is a thick acetate frame with a rectangular silhouette. Its commanding presence is imparted by its defining sloped topline tapering out at the end pieces, along with contouring throughout. Comfort and all-day wearability were carefully considered in its design, with a new temple design providing ergonomic comfort. Woz is finished with our signature GLCO Catabar plaque on the temple and offered in vintage-inspired colorways.
