

CUTLER AND GROSS

THE GREAT FROG

COLLECTION

OPTICAL

GFOP002

54 □ 19 - 150

Our now archived 0425 served as the inspiration for The Dagger, a classic rectangle frame slightly redesigned with thicker 9mm acetate and larger lenses. Simple but packed full of sharp details, namely the British 925 Sterling Silver dagger frontals, this is an everyday optical imbued with plenty of The Great Frog's rock 'n' roll spirit.

- Featuring 'hand cast' sterling silver .925 dagger detailing on the frontal
- Custom chain temple core, unique to The Great Frog.
- 5 bar hinges
- Hand Domed rivets
- Archive Vintage Temple

GFOP003

53 □ 21 - 150

Our current 9772 frame which served as the base for Crossbones is currently one of our bestselling models, originating from a style group that was first created in 1985. The 925 Sterling Silver crossbones detailing, taken from The Great Frog's logo, sits on the redesigned temple which is thickened at the hinge for both a bolder silhouette and improved stability.

- Featuring hand cast sterling silver .925 crossbones detailing on the temples (two different casts)
- Hand cast' sterling silver .925 dagger detailing on the frontal
- Custom chain temple core, unique to The Great Frog.
- New 7 bar hinges

SUNGLASSES

GFSN001

54 □ 18 - 145

Lending its silhouette from our bestselling 1369, The Reaper perfectly blends the distinctive design language of The Great Frog with our own. This large square sunglass with our weightsaving 'television' reverse milling features its namesake Reaper emblem detail which is hand cast in solid British 925 Sterling Silver.

- Featuring hand cast sterling silver .925 reaper detailing on the temples, (two different casts)
- Custom chain temple core, unique to The Great Frog.
- New 7 bar hinges
- New Torque Screw
